

Operational Capacity

TSP Name:

Gulf South Pipeline Company, LLC

TSP:

78444247

Meas Basis Desc:

MMBtu

Cycle:

EVE

Comments and Notes:

Total Design Capacity indicates the maximum amount of gas that can be accurately measured by a specific meter under average pressure conditions at the meter. Total Design Capacity does not reflect certificated capacity and is not indicative of pipeline capacity at the location or in the vicinity of the location.
